# Uniform Policy

---

The Uniform Policy of Our Lady Queen of Peace School addresses the total appearance of the student travelling to and from school and while at school.

The wearing of a neat and tidy uniform is widely regarded as a positive indication of a successful school, and one in which the parents and students have a real pride and a sense of ownership.

In addition, the uniform is a means of helping to develop unity and pride within our community.

## Trans-seasonal school uniform

It is important that students are comfortable and confident wearing correct school uniform, both physically and socially / emotionally. For this reason, Our Lady Queen of Peace School has moved to a trans-seasonal school uniform.

Rather than have different uniform codes for each of the warmer and cooler seasons, students at Our Lady Queen of Peace School are able to choose which correct school uniform items they wear, regardless of the season.

For example:

- Some students prefer to wear school shorts not only during the warmer weather in spring and summer but also during the cooler months.
- There may be students who are more comfortable wearing long sleeve polo tops all year, despite the season.
- Students may choose to wear shorts or long pants in place of skirts / tunics.

## Uniform Policy development

The Uniform Policy is developed and approved by the School Board.

It is an expectation that all students comply with the policy in all its requirements.

Enrolment at the school is dependent upon parents accepting and supporting the school's Uniform Policy. As part of the enrolment acceptance, parents / caregivers accept and support Our Lady Queen of Peace School's Uniform Policy.

## At Our Lady Queen of Peace School the uniform is worn to:

- Develop a sense of pride and unity
- Support and maintain the high standards at Our Lady Queen of Peace.
- Create equality amongst students and eliminate competition and discrimination.

## Observance and interpretation:

- All students are to abide by the full uniform policy, while travelling to and from school, as well as at school.
- They may also be required to wear the uniform to official functions.
- The Principal has the final decision on any interpretation of this policy

# Sport Uniform

---

The Our Lady Queen of Peace School uniform (tops, shorts and pants) is designed to be versatile, and to be worn during Physical Education lessons. The shorts and pants are made of a material that allows for students to have full and comfortable movement.

For this reason, students do not require a separate uniform for Physical Education lessons. The all black, leather type sneaker can also be comfortably and safely worn during Physical Education lessons.

During competitive sport or sporting carnivals, students may be required to wear official Our Lady Queen of Peace School sports tops, supplied by the school. Correct school shorts are also to be worn. Official sports tops are distributed on a loan basis, and are required to be returned to the school freshly laundered at the conclusion of the event / season.
